NOV 28 2005

**INDIANA UTILITY
REGULATORY COMMISSION**

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") caused the following entry to be made in this Cause:

On November 1, 2005, Northern Indiana Public Service Company ("Petitioner") filed its request for a finding of confidentiality of certain portions of its 2005 Integrated Resource Plan ("IRP"). Although Petitioner filed a redacted version of its IRP concurrently with its request for a finding of confidentiality, Petitioner failed to contemporaneously submit a nonredacted version under seal as required by 170 IAC 4-7-3(f).

In addition, 170 IAC 4-7-2(c) requires Petitioner to include, with the filing of its IRP, certain information concerning notice provided to interested parties and the Office of the Utility Consumer Counselor ("OUCC"). This information is typically included in the cover letter accompanying the IRP. Petitioner's filing fails to set forth this required information.

Accordingly, the Presiding Officers find that the Petitioner should submit, via hand-delivery, a nonredacted version of its IRP under seal and marked as confidential to the presiding administrative law judge by December 5, 2005. In addition, the following information should also be filed with the Commission by December 5, 2005:

- (1) The name and address, if known, of each individual or entity considered by Petitioner to be an interested party;
- (2) A statement that Petitioner has sent to each interested party a notice of the filing of the IRP to the Commission in accordance with 170 IAC 4-7-2(c)(2)(A), (B), and (C); and
- (3) A statement that Petitioner has served a copy of the IRP to the OUCC.

IT IS SO ORDERED.
